May 16, 2006

Sir:

Pursuant to the duty of disclosure, enclosed please find a Form PTO-1449 listing supplementary partial European search reports issued in two European patent applications commonly owned with the above-identified application and relating to a high performance prosthetic foot. The references cited in the European search reports are also listed on the Form PTO-1449. A copy of each of the search reports and cited documents, other than the cited U.S. patents, is also enclosed. To the extent the cited documents are not in the English language, the requirement for a concise explanation of the relevance of the document is satisfied by the discussion of the document in the search report. An International Search Report in a commonly owned

international application, and the documents cited in the Search Report, are also listed on the form PTO-1449 and copies of these listed documents, other than the U.S. patents, are also enclosed. Copies of documents recently cited in an Office Action in commonly owned U.S. application serial no. 10/263,795 are also enclosed and listed on the Form PTO-1449.

This information disclosure statement is being submitted within three months of the issuance of the cited supplementary partial European search reports and the International Search Report and the Office Action. It is requested that the cited documents be considered and made of record in the application.

Please charge any shortage in the fees due in connection with the filing of this paper, including extension of time fees, to the deposit account of Antonelli, Terry, Stout & Kraus, LLP, Deposit Account No. 01-2135 (Case: 183.39735AX5), and please credit any excess fees to such deposit account.

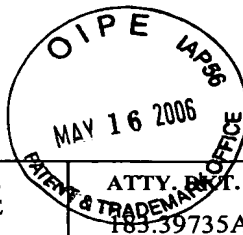

Respectfully submitted,

ANTONELLI, TERRY, STOUT & KRAUS, LLP
